Stats Requirement: Name and number of course, Semester and year taken, grade	All students are required to take 2 hours of graduate level statistics and receive a grade of B or better. If you haven't taken a course yet, indicate what class you intend to take to satisfy this requirement.																																				

Bioethics Requirement	All students are required to successfully complete the CITI RCR course. Upload your certificate of completion if you have done this course.
Date of most recent college/department research seminar presentation	
Research Plan (attachment required)	Upload your most recent research plan using the template linked on from the Home page of the evaluation system. Please note you are REQUIRED to use the template.
VETPREV 8891 enrollment and presentation	Indicate whether or not you enrolled and presented in the indicated semesters
Research presentations	All presentations of your research in the last year, including poster presentations. Please list only 1 per line. Include the date, location, meeting, and type of presentation
Manuscripts	You are required to enter the information as a properly formatted PubMed citation. Please list only 1 per line. Add additional lines if necessary.
Awards	Please list only 1 per line. Add additional lines if necessary. Include the date awarded, name of award, awarding body
Grant proposals	Include the following information in your entry: Title of submission, agency submitted to, date submitted, and the status of the application (submitted, reviewed, funded/unfunded) Please list only 1 per line. Add additional lines if necessary.
Mentorships	Describe any mentorship activity you may have done in the last year, including secondary, undergraduate, graduate or professional students. Please list only 1 per line. Add additional lines if necessary.
Outreach Activity	Describe any outreach activity. Please list only 1 per line. Add additional lines if necessary.
Advisor and committee member name, email address, department, expertise	Please make sure you have the correct email address for your advisor and committee members and have entered them correctly! If an email address is not correct, your committee member will not receive notification to review your progress report.
